**IMMEDIATE OPENING – FULL TIME POSITION**  
**• ENGINEER / EXPERIMENTAL SCIENTIST •**

---

Diversified Technologies, Inc. ("DTI") is an international leader in the design and manufacture of high power electrical equipment. Our exceptional engineers and scientists collaborate to develop the world's most powerful radar transmitters, pulsed power units for state-of-the-art processing in food, energy and wastewater, and advanced R&D for national laboratories.

Join a team where your professional development will be rapid. We offer an opportunity to engage with world-class engineers and scientists through the entire product cycle from design through production and installation for industrial and government applications. Through teamwork and innovation, we strive to consistently deliver reliable, high-quality products. We seek an Electrical Engineer/Experimental Scientist to join our systems design and development team at our headquarters in Bedford, Massachusetts just off Routes 2, 3 & 95, minutes from Alewife Station.

**Responsibilities:**

- Team with other engineers, scientists, technicians
- Assist in developing new designs & production documents (drawings, travelers, test plans)
- Develop electrical schematics, interconnect drawings
- Assist with instrumentation set-up, processing of data from tests
- Assist with design, fabrication, assembly and wiring of systems
- Support subsystem testing, results documentation, manual preparation
- Participate in on-site installation, analysis and test support

**Requirements:**

- Bachelor's degree in Engineering or Hard Sciences
- Up to two years' work experience
- Demonstrable analytical skills and "hands-on" aptitude
- Can solve dynamics / electromechanical problems (coupled pendula, etc.)
- Capable with computer aided design packages
- Good written and oral communication skills
- Able to travel (domestic and abroad)
- U.S. Citizen

**Other:**

- ACAD, SolidWorks, PCB skills a plus
- Self-guided and active team player with a willingness to learn

**Compensation:**

- Salary range is \$60-75K
  - Excellent benefits including health, dental, life, and disability insurance; 401K Plan, tuition reimbursement; paid holidays, sick leave and fifteen vacation days beginning year one.
- 

**To Apply For This Position:** Please visit our website at [www.divtecs.com](http://www.divtecs.com) and click on "Career Opportunities" and "Voluntary Affirmative Action Form" to download our voluntary form. Then (1) send a resume to [jobs@divtecs.com](mailto:jobs@divtecs.com), and (2) if you would like to submit the Voluntary Affirmative Action Form, complete the form and include it as a signed pdf with your resume.

**DTI is an Equal Opportunity Employer: Female / Male / Disabled / Veteran**

*DTI makes reasonable accommodation for persons with disabilities to apply for employment. Contact [jobs@divtecs.com](mailto:jobs@divtecs.com) to request a reasonable accommodation.*
