***IMMEDIATE OPENING – FULL TIME POSITION***  
**• ELECTRICAL ENGINEER •**

---

Diversified Technologies, Inc. (“DTI”) seeks an electrical engineer to join the systems design development team of a growing, high technology business. The work involves design, construction, installation and testing of specialized, high-power electrical equipment for industrial and government applications. This is a great opportunity for someone eager to work in challenging, innovative, fast-paced technical organization.

**Responsibilities:**

- Team with other engineers, scientists, technicians
- Assist in developing new designs
- Develop electrical schematics, interconnect drawings
- Assist with fabrication and wiring of systems
- Support subsystem testing, results documentation, manual preparation
- Participate in on-site installation, analysis and test support

**Requirements:**

- Bachelor’s degree in Electrical Engineering
- Up to two years’ work experience
- Demonstrable analytical skills and “hands-on” aptitude
- Good written and oral communication skills
- Able to travel (domestic and abroad)
- U.S. Citizen

**Other:**

- ACAD, SolidWorks, PCB skills a plus
- Self-guided and active team player with a willingness to learn

---

**Excellent Benefits:** Includes health, dental, life, and disability insurance; 401K Plan; tuition reimbursement; paid holidays, sick leave and fifteen vacation days beginning year one.

**Company Information:** DTI develops and markets high power modulators, DC power supplies and control systems. Twice selected by R&D Magazine as one of the 100 most significant products of the year, DTI’s PowerMod™ systems are produced and sold in a wide range of configurations. DTI also provides consulting services to engineering and development projects. Please take a moment to browse our website at [www.divtecs.com](http://www.divtecs.com). Learn about our unique technology and how our products are being used in high power applications world-wide.

**To Apply For This Position:** Please visit our website at [www.divtecs.com](http://www.divtecs.com) and click on “Career Opportunities” and “Voluntary Affirmative Action Form” to download our voluntary form. Then (1) send a resume to [jobs@divtecs.com](mailto:jobs@divtecs.com), and (2) if you would like to submit the Voluntary Affirmative Action Form, complete the form and include it as a signed pdf with your resume.

**DTI is an Equal Opportunity Employer: Female / Male / Disabled / Veteran**  
*DTI makes reasonable accommodation for persons with disabilities to apply for employment.*  
*Contact [jobs@divtecs.com](mailto:jobs@divtecs.com) to request a reasonable accommodation.*
