
IMMEDIATE OPENING – FULL TIME POSITION
• MECHANICAL ENGINEER •

Diversified Technologies, Inc. (“DTI”) seeks a mechanical engineer to join the systems design development team of a fast growing, high technology business. The work involves design, construction, installation and testing of specialized, high-power electrical equipment for industrial and government applications. This is a great opportunity for someone eager to work in challenging, innovative, fast-paced technical organization.

Responsibilities:

- Team with other engineers, scientists, technicians
- Assist in developing new designs
- Develop production documents (drawings, travelers, test plans)
- Assist with fabrication, assembly of systems
- Support subsystem testing, results documentation, manual preparation
- Participate in on-site installation, analysis and test support

Requirements:

- Bachelor’s degree in Mechanical Engineering
- Up to two years’ work experience
- Capable with SolidWorks
- Demonstrable analytical skills and “hands-on” aptitude
- Good written and oral communication skills
- Able to travel (domestic and abroad)
- U.S. Citizen

Other:

- Self-guided and active team player with a willingness to learn

Excellent Benefits: Includes health, dental, life, and disability insurance; 401K Plan; tuition reimbursement; paid holidays, sick leave and fifteen vacation days beginning year one.

Company Information: DTI develops and markets high power modulators, DC power supplies and control systems. Twice selected by R&D Magazine as one of the 100 most significant products of the year, DTI’s PowerMod™ systems are produced and sold in a wide range of configurations. DTI also provides consulting services to engineering and development projects. Please take a moment to browse our website at www.divtecs.com. Learn about our unique technology and how our products are being used in high power applications world-wide.

To Apply For This Position: Please visit our website at www.divtecs.com and click on “Career Opportunities” and “Voluntary Affirmative Action Form” to download our voluntary form. Then (1) send a resume to jobs@divtecs.com, and (2) if you would like to submit the Voluntary Affirmative Action Form, complete the form and include it as a signed pdf with your resume.

DTI is an Equal Opportunity Employer: Female / Male / Disabled / Veteran
